

High power fibers

Liekki launches online purchase feature on www.liekki.com

We are now offering the possibility to purchase our products online. Our online purchase feature enables customers to order LIEKKI active fibers, passive fibers and fiber components, optical engine modules and design software quickly and conveniently through www.liekki.com.

The online purchase is carried out in a clear and easy step-by-step process:

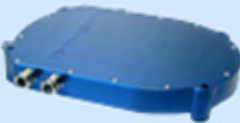

1. Select product(s) and view product information

2. Enter address information

Optical engine modules

Design software

3. View confirmation page

4. Enter credit card information

The online purchase process is based on a Secure Sockets Layer (SSL) protocol and guarantees secured communications and transactions.

Our online purchase feature is intended for small orders of our standard LIEKKI products. For large or custom orders we prompt our customers to continue to contact our [sales support](#) for more information or to [request a quote](#) for the required products and services.

Purchase our LIEKKI products online on www.liekki.com
